# ABOUT EMC

Electric Mobility Center (EMC) is an electric vehicle distributor and EV ecosystem company in Nigeria. With a vision to make EV adoption and ownership in Nigeria seamless, EMC not only sells and leases electric vehicles from the world's most reputable manufacturers but also operates a nationwide EV charging network and an advanced EV maintenance facility.

For fleet operators looking to reduce total cost of ownership while transitioning to a modern, sustainable fleet, EMC is the smart choice.

Our EVs come standard with charging infrastructure and a fully integrated fleet management system, ensuring efficiency and convenience.
